1928 Some Street DIABLO

Nestled on nearly an acre, along a meandering creek, lies this stunning Tuscan inspired home. Boasting 5377 square feet of gracious living space, this home includes 5 bedrooms, 5.5 bathrooms, including a luxurious master retreat, fabulous kitchen w/pizza oven, wine room and a stunning office with cathedral ceiling. This exceptional home was designed and built to maximize indoor comforts and outdoor charm. Just a short distance to Diablo Country Club, this home really does have it all.

The entrance is grand and features a sweeping staircase highlighting a custom made hand rail by a local artist. Living room and dining room are generous in size. Ceilings are towering and large windows bathe the rooms in natural light. A beautiful fireplace with stone surround warms the living room. Floors are Walker Zanger honed stone. A 2000 bottle, climate controlled wine cellar is located near the dining room.

All chefs will love the kitchen. It offers every amenity you could ask for including a wood burning pizza oven, 48" refrigerator, 30" double ovens, warming drawer, and two dishwashers. The beautiful floors are Walker Zanger pillow edge stone and continue through to the casual dining area overlooking the yard. Kitchen cabinets are custom alder with granite counter tops. There is a vegetable sink in the walnut island. The kitchen also includes a large storage pantry and a butler's pantry which is great for entertaining. An inviting sun room is located off the kitchen. Large Architectural Traditions folding glass doors open on all sides for indoor outdoor entertaining. A fireplace, heater and television will keep you entertained when you dine al fresco or enclosed.

The inviting family room opens to the yard through French doors. Built in bookcases surround the fireplace, the floors are walnut and there is plenty of room for the family to gather. Cathedral ceilings grace the office that features built ins and a display cabinetry. Convenient yet private, the lower level guest bedroom overlooks the sunny patio.

With French doors leading to the balcony overlooking the yard, the master bedroom suite is quite spectacular. A sitting room is attached to the master and boast a widescreen tv and sound system. The large master bath has dual pedestal sinks and a huge shower. The closet has room for everything!

Three additional, good sized bedrooms and two bathrooms are located on the second floor. Two bedrooms have walk in closets. A handy study area and bookcases are located near the bedrooms.

A large pool and spa grace the backyard. Cross the creek to an expansive lawn area, great for play. The four car garage should have plenty of room to house your collection.
